Headteacher: Mr. R. Knight

16th September 2013

To Whom it may concern:

Darlinghurst Primary and Nursery School, of Leigh on Sea Essex, elected Fox Maintenance as the Main Contractor to extend the school sports hall during the 2013 School Summer shut down.

It was to be a Design and Build Programme and we instructed them to proceed in early June.

We have been extremely happy with their performance and attitude whilst working in a school environment.

Although the majority of the work was completed during the school holidays, external clubs were still using the site. During this period, the contractors worked with flexibility and the safety of the pupils was paramount.

Despite initial planning difficulties, which were outside of their control, they still managed to have the extension open and available for use on time.

Their standard of work and has been very high and we would we be happy to recommend Fox to any other Schools or Organisations as a reliable supplier.

Yours faithfully

Mr.S.Clark
