Dear Sir,

RE: FOX GROUP – BUILDING/DEMOLITION/REFURBISHMENT

The above company carried out a range of work at The Grays Convent High School during the school holidays in the summer of 2014. The work included:

- Varnishing and polishing of wooden parquet floors
- Re-decoration of corridors
- Installation of new fire doors
- Removal of old school 'huts'
- Laying tarmac to part of the playground

All work was carried out to our complete satisfaction, and on schedule, and we would have no hesitation in recommending this company in the future.

Yours sincerely

Mrs Penny Johnson
Headteacher
