

Dear Sir / Madame

8th May 2013

With reference to Fox Maintenance.

I would like to confirm that that fox Maintenance have worked with Jones Lang LaSalle for the past 15 years and are a preferred supplier, they have delivered a wide range of building services in the South East to various clients within our property portfolio.

The projects undertaken have consisted of complete refurbishment of office space to minor small works on site; the last project was the redecoration of a live call centre in Basildon which required the redecoration of all painted surfaces in a live working call centre which operated 24 X 7, all works needed to be carried out at night and with minimal disruption to the operation.

I can confirm this work was completed on time and within budget and without any disruption to staff working in the building, we have been so pleased with the outcome of this project Fox Maintenance have been appointed to carry out the same operation at our 350 seat call centre in Glasgow.

Over the years Fox Maintenance have proven to be very reliable and professional in all aspects of their work delivering on time and within budget.

Please feel free to contact me if you require any further information

Regards David Fox
